Teacher's Words:

Dear Parents,

I hope you had a wonderful Christmas and New Year with your sweet children. I had fun learning how to use my Cricut and spending time with my family. I am so blessed to have parents as wonderful as you! I am planning our next field trip to the Florida Oceanographic Coastal Center in Stuart, FL. This goes right along with some of the Science that we have learned this year. More details soon to come ☺

In His service,
Mrs. McDonough
