  - Perimeter
  - Fifteen Subtraction Family

## Phonics: Test #23

Look for a student-made study sheet in the blue folder this evening.

## Spelling: List #23

Spelling words are 4 points each. On Thursday nights, please give your child a practice test and grade their work.

**Return it as homework the next day.**

## Handwriting:

Please review the handwriting test with your child each week. The box at the top shows letters or skills your child should practice.

## NOTE FROM THE TEACHER:

Dear Parents,  
Congratulations to our amazing students for having great sportsmanship

during the Olympic games, for working together, and for winning the SILVER! It was a fun day! Thank you to the parents who came out to cheer us on. It was a very tight race – we missed out on the gold by one event!

I really enjoyed visiting with all of the families who came to our Japanese feast on Thursday. Thank you for all you do for our students, and for making last week fun and special.

We have begun working on the sloppy copy of the state report in the classroom. You will find it along with a checklist in the Wednesday pack. Please check the dates for the assignment and help your child return the sloppy copy on time. Please ask if you have ANY questions.

**The state report is 50% of your child's grade for history.** Reports will be due the week of March 21<sup>st</sup>, which is also SAT week.

Several students are having difficulty remembering the vocabulary words during the test. I only say the definition, and the students must remember the word and spell it correctly. Quiz your child at home by saying only the definition and letting him/her say and spell the word for you.

Please check all papers in the Wednesday pack. Review pages that are incomplete or done incorrectly and encourage your child to take their time and do their best each day.

If you've read this entire newsletter please make a small silver medal I the assignment book.

In His Service,  
Mrs. Gagne
