

The McDonough Weekly

A Peek at our Week in Kindergarten

Bible: James 4:8a Come near to God and He will come near to you. We are talking about God's Creation in Bible.

Phonics: This week we will review our first short vowel sounds "i", "u" and "e". We will continue to learn about "a" and "o". Please continue to review at home and send in bags with one or two objects that have that short sound 😊

Handwriting: Cursive writing continues this week with writing the letters "a" and "o". Practice holding a pencil properly with only the pointer finger on the top.

Math: We are currently reviewing number recognition and the proper formation of numbers one through ten. We are also studying "above and below", making our own "patterns" and "sorting".

Social Studies: Community Helpers continues.

Science: This week is sensory exploration. We are learning about our 5 senses.

Sign Language: We are learning how to sign our letters and names (Ask your child to sign what they have learned).

Teacher's Words:

Parent Teacher Meeting is Thursday 9/15 @ 6:30. This is a group meeting but I would be happy to also meet with you in private if you wish the following week. Please invite Grandparents to our Grandparents Day Chapel and Brunch on Thursday 9/30. Thank you so much to those parents coming in for community helpers! We can't wait to hear all about your interesting professions! I am still getting in contact with some of you. Please help your child memorize your phone number and address.

Blessings,
Mrs. McDonough
