Phonics

Phonics Tests - Thursdays

The students have been studying the one and two vowel rules and Charts 6 and 7. You will find these charts at the back of the Handbook for Reading (HB). Please review them with your child. Review Spelling words daily - 1st list goes home tomorrow. ☺

READING

The students read twice aloud to themselves and one time out loud to the parent. Watch the assignment daily. There is reading homework every day except Wednesday. Homework assignments will be in their assignment books and on the calendar on my website portal.

Read daily with your children even if they do not have reading homework.

Handwriting

We review proper posture and proper pencil grip daily. Please practice handwriting at home. Please keep at home the letter formation card which was sent home last week. This is a helpful guide to encourage your child to form their letters correctly. It is helpful to practice nightly.

BIBLE

We have been discussing the importance of parents and families as seen in the families of Moses and Samuel in the Bible.

Verse due Sept. 21:

Psalm 133:1 – How good and pleasant it is God's people live together in unity!
