Please review those sounds with your child. Dictate blends (i.e. stru) with your child to help prepare them for the test. Have your child read all the words on the bottom of last week's test. Study Spelling List 6 daily both orally and

written.

READING

BOOK-IT - Your child should read 20 minutes per day (at least 5 times per week) of supplemental reading - Please have your child color in the Book-It calendar each day they read. Parents, please initial on the calendar beside each day they read.

Please check your child's assignment book for the pages required for homework. Please have them practice the pages to themselves and then read them with expression to you. Also check the website for the weekly Homework Check.
