

# The McDonough Weekly

## A Peek at our Week in Kindergarten

**Bible:** James 4:8a Come near to God and He will come near to you. We are talking about Jesus.

**Phonics:** This week we will review our first short vowel sounds "i", "u" and "e". We will continue to learn about "a" and "o". Please continue to review at home and send in bags with one or two objects that have that short sound 😊

**Handwriting:** Cursive writing continues this week with writing the letters "a" and "o". Practice holding a pencil properly with only the pointer finger on the top.

**Math:** We are currently reviewing number recognition and the proper formation of numbers one through ten. We are also studying "above and below", making our own "patterns" and "sorting".

Let me know how many grandparents will attend. Thank you so much to those parents coming in for community helpers! We can't wait to hear all about your interesting professions! I am still getting in contact with some of you. Please help your child memorize your phone number and address.

Blessings,  
Mrs. McDonough
