*I have enjoyed my first week and a half with your children. It is fun getting to know them better. Each one is unique and special in the Lord as we have been talking about in class. God loves each one of us and has a special plan for our lives. I am honored to be able to spend a year with your children during this crucial formative time in their lives. I pray that your child will grow academically and spiritually during this coming year.*

1. Sign and return your child's planner every day.
2. Blue folder goes home daily. Check if there is work to correct/return or to keep at home. Please return blue folder daily.
3. Check your email and Remind App daily, please.
4. No school - Monday, September 2nd - Labor Day
5. PTM: Sept. 12 - 6:00 p.m.
6. Grandparents Day - Sept. 27
7. **Please send water bottle and healthy snacks daily.**

## Phonics

We will be reviewing the long and short vowel sound with blends.

### READING

Reading groups are being determined. In the next week you will receive a note with the name of your child's reading group. It is possible that some children change groups during the year according to their progress. Please review the Handbook for Reading (HB) pages daily with your child. Daily homework is in your child's assignment book.

### Handwriting

We review proper posture and proper pencil grip daily. We are practicing writing our numbers 1-10 as well as letters *l*, *s*, *c*, *b*, and *t*. Please practice handwriting at home. Please keep at home the letter formation card which were sent home last week. This is a helpful guide to encourage your child to form their letters correctly. It is helpful to practice nightly.

## BIBLE

In Bible class we are talking about the Wise Man and Foolish Man. Wisdom comes from knowing and following good advice, instructions, and plans. God is the Rock upon whom we are to build the foundation of our lives.

**Verse due Sept. 4**  
**Psalm 19:1 - The heavens declare the glory of God; the skies proclaim the works of his hands.**

**I will be introducing the concept of greater than. The students will learn how to solve a story problem. We will review counting to 100 and the addition families one through five, plus the "twins". (Ex. 1 + 2 = 3; 2 + 1 = 3)**

**Tip: Flashcards are a great practice at home.**
