Phonics

Phonics Tests - Thursdays

The students have been studying the one and two vowel rules and Chart 6 and Chart 7. To help prepare your child for this test review all the Letters & Sound and Language papers.

Spelling List 2 will go home on Thursday. Please copy, cut, and return on Friday.

READING

Reading evaluations are being done weekly.

At home the students should read twice aloud to themselves and once out loud to the parent.

Read daily with your children even if they do not have reading homework.

Handwriting

We review proper posture and proper pencil grip daily. Please practice handwriting at home. Please keep at home the letter formation card which was sent home last week. This is a helpful guide to encourage your child to form their letters correctly. It is helpful to practice nightly.

BIBLE

We are studying from God's Word that there is only ONE true and almighty God.

Verse due Sept. 25:

Hebrews 1:2 – but in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through who also he made the universe.

***Math Tests on Wednesdays**

We continue reviewing addition/subtraction families 1 - 6, before and after numbers by tens, and combining dimes and pennies. We are also reviewing counting by tens, story problems, and greater than and less than. Please work on flashcards at home. Thank you!
