

MORNINGSIDE ACADEMY

LOWER SCHOOL NEWS

March 1, 2021

What is Happening?

Enrollment: Enrollment is going well. We have a couple of grade levels that are full, and others that are filling up quickly. We would love to have all of our students back, of course. If you have any questions regarding enrollment, please call the office.

Boosterthon: WOW! Some of you have already received donations for this year's Movement and Motion fundraiser (Formally Fun Run). This year they are switching it up a little so that the students are able to space out a bit and follow a fun and energetic movement, motion and exercise video for their 30-35 minute time frame. We are really excited about this year's program! I think the students will have a lot of fun! Kick-off is Wednesday, and our Huddles begin on Thursday. Watch for updates from Ms. Lamar.

SAT Week: March 15th-19th is our SAT week. The students must arrive on time for school each morning. Once testing has begun, we will not interrupt the classroom to take in a tardy student.

Spring Break is March 22nd-26th.

Virtual students will need to drop off all of their 3rd Quarter work on March 12th. You will not pick up another packet of work until after spring break, Monday, March 29th.

Words of Encouragement:

- God's words of encouragement and guidance are always available to us. We just have to listen.
- We cannot know the heart *of* God unless we have a heart *for* God

Upcoming Events

- March 3rd-Boosterthon Kick-Off
- March 12th-Boosterthon Movement and Exercise Fundraiser
- Virtual Packet Drop-off Day
