LOWER SCHOOL NEWS

What is Happening?

Book Fair: The Book Fair is going on this week. Each class is assigned a day and time to shop. If your child does not bring money on the assigned day, but would like something, they can come another day.

Olympics: Although a bit different, the Olympics opening and awards ceremonies went very well on Friday. I believe the students enjoyed the events during PE and the Parade of Nations.

Teacher Appreciation Week: Although we will not be having the luncheon this year for the teachers like we normally do, I wanted to let you know that May 3-7 is Teacher Appreciation Week. I am sure they would love a card or note of appreciation.

Extended Care: We have reached our maximum number in our Aftercare program. We are unable to register any new students for our aftercare program at this time.

NUT Day: This Friday, April 16th is a No Uniform Today day. The students earned this award from Boosterthon. They may wear non-uniform clothes; appropriate length shorts, jeans, capris and appropriate shirts are fine. Close toed shoes need to be worn due to mulch on the playground. There will be another NUT day on April 30.
