## Phonics

Phonics Tests - Thursdays

1<sup>st</sup> Phonics Test - Sept. 5

We are continuing work on short vowel sound with blends. The phonics is integrated in our reading and writing. The students are showing progress in remembering what they have already learned!

## READING

The students read twice aloud to themselves and one time out loud to the parent. Watch the assignment daily. There is reading homework every day except Wednesday. Homework assignments will be in their assignment books and on the calendar on my website portal.

**Read daily with your children even if they do not have reading homework.**

## Handwriting

We review proper posture and proper pencil grip daily. Please practice handwriting at home. Please keep at home the letter formation card which was sent home last week. This is a helpful guide to encourage your child to form their letters correctly. It is helpful to practice nightly.

## BIBLE

Verse due Sept. 11:

**2 Timothy 3:16 – All Scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness.**

\*Math Tests on Wednesdays

Starting today

I will be introducing the concept of greater than. The students will learn how to solve a story problem. We will review counting to 100 and the addition families one through five, plus the "twins".  
(Tip: Flashcards are a great practice at home.)
